You may say I'm a dreamer,
but I'm not the only one.

-John Lennon

EINLEITUNG

Die neuen Motive aus unserer „Into Illusions Edition 2“, wie die futuristische 3D-Berglandschaft in „Up and Down“-Optik, die farbenfrohen Häuserfassaden der kubanischen Hauptstadt „Havanna“ oder die minimalistische Betonwand mit „Shadows“ wirken auf den großen XXL-Fototapeten aus hochwertigem Vliesmaterial besonders realistisch.

Da die Vlies-Bogen Stoß an Stoß verklebt werden, entsteht ein besonders einheitliches und lebens-echtes Bild. Mit wenigen Handgriffen können die Vlies-Tapeten an die eingekleisterte Wand angebracht werden – so verströmt die „Golden Gate“-Brücke den hippen Flair von San Francisco, der „South Beach“ verbreitet den mondänen Lifestyle aus Miami und das malerische Städtchen „Positano“ bringt italienisches Dolce Vita ins eigene Zuhause!

ВВЕДЕНИЕ

Новые мотивы из нашего каталога «Into Illusions Edition 2», такие как «Up and Down» - футуристический горный пейзаж с оптикой 3D, «Havanna» - красочные фасады кубинской столицы или «Shadows» - минималистская бетонная стена, кажутся особенно реалистичными на большом XXL формате фотообоев из высококачественного флизелина.

Благодаря наклеиванию встык картина получается особенно однородной и живой. Флизелиновые фотообои клеятся на предварительно смазанную клеем стену всего в несколько простых и быстрых приемов - и вот уже мост «Golden Gate» излучает хипповую атмосферу Сан-Франциско, «South Beach» - эксклюзивный образ жизни Майами, а живописный город «Positano» вносит итальянскую Dolce Vita в Ваш собственный дом.

INTRODUCTION

The new motifs from our “Into Illusions Edition 2” series such as the futuristic 3D mountain scenery in “Up and Down” look, the colourful house facades in the Cuban capital of “Havana” or the minimalist concrete wall “Shadows” look especially realistic on XXL photomurals made of high-quality non-woven material.

The non-woven sheets have to be positioned edge-to-edge, creating an especially consistent, authentic look. In just a few simple steps, the non-woven wallpapers can be applied to the pasted wall – the “Golden Gate”-Bridge creates that hip San Francisco flair, “South Beach” recalls Miami’s sophisticated lifestyle, and the picturesque town of “Positano” brings some Italian dolce vita into your home!

INTRODUCCIÓN

Los nuevos diseños de nuestra colección «Into Illusions Edition 2», tales como el paisaje de montaña futurista en 3D con efecto «Up and Down», las coloridas fachadas de las casas en la capital de Cuba, «La Habana» o la pared minimalista de hormigón «Shadows», tienen un aspecto especialmente realista en fotomurales XXL hechos en material TNT.

Los papeles TNT tienen que colocarse de extremo a extremo, ofreciendo un aspecto especialmente consistente y auténtico. Con sólo unos pocos y simples pasos, los papeles pintados TNT pueden ser aplicados a la pared encolada – el puente «Golden Gate» recrea ese aire estilo San Francisco, «South Beach» recuerda el sofisticado estilo de vida de Miami, y la pintoresca localidad de Positano trae un poco de la «dolce vita» italiana a vuestro hogar!

INTRODUCTION

Découvrez les nouveaux motifs de notre catalogue «Into Illusions Edition 2» ! Les paysages de montagne en 3D, avec une optique «Up and Down», les images futuristes, telles les façades colorées de la capitale cubaine «La Havane», ou bien encore le mur minimaliste en béton avec effet «Shadows», créent des effets particulièrement réalistes sur nos grandes photos murales XXL panoramiques, le tout, toujours en qualité Premium et en intissé.

Avec très peu d’efforts, les panneaux intissés étant à poser côte à côte, une image uniforme et réaliste apparaît sur votre mur. Le «Golden Gate» se fond ainsi dans l’atmosphère branchée de San Francisco, le «South Beach» restitue le style de vie si typique de Miami et la ville pittoresque de Positano apporte une touche de Dolce Vita à votre intérieur !

INTRODUÇÃO

Os novos motivos do nosso catálogo «Into Illusions Edição 2», com cenários como as montanhas futuristas 3D em «Up and Down», as fachadas coloridas da capital de Cuba, «Havana» ou as paredes minimalistas de cimento «Shadows» parecem muito reais em foto murais XXL produzidos em material non woven de alta qualidade.

As folhas non woven têm que ser posicionadas canto a canto criando um aspecto especialmente consistente e autêntico. Em alguns passos simples, os fotomurais non woven podem ser aplicados na parede já com cola – a ponte «Golden Gate» mostra a elegância e o glamour de S. Francisco, «South Beach» recria o estilo de vida sofisticado de Miami, e a pitoresca cidade de «Positano» traz um pouco da dolce vita italiana para a sua casa!
