

MULTIFORME<sup>®</sup>

PROGRESSIVE

The background of the entire image is a close-up, high-contrast photograph of light reflecting on a dark, rippling surface, likely water at night. The reflections are elongated and shimmering, with colors ranging from bright yellow and orange to deep blues and greens. The overall effect is one of dynamic movement and vibrant light against a black background.

MULTIFORME®

## THE COMPANY

Situata nel cuore del Distretto Veneto dell'Illuminazione, tra Padova e Venezia, MULTIFORME® risponde alle molteplici e particolari esigenze di illuminazione decorativa, calibrandole per ogni professionista del settore su scala internazionale.

L'azienda opera autonomamente grazie alle proprie aree di progettazione e produzione interne. E' in grado di seguire nel dettaglio progetti articolati fornendo soluzioni di alto profilo, sia a livello tecnico che estetico.

Ogni fase delle lavorazioni viene controllata perseguendo la Mission aziendale: la bellezza e l'eccellenza dell'opera, nella soddisfazione del cliente finale.

Ogni nostro prodotto deve essere Buono, oltre che Bello.

I nostri target sono commesse per ville, hotel, edifici pubblici e religiosi. Oltre alla produzione di serie siamo in grado di elaborare progetti custom.

Con serietà e passione, il nostro intento quotidiano è quello di contribuire a diffondere nel mondo i valori tipici del Made in Italy per continuare a creare i grandi classici di ieri, di oggi e di domani.

MULTIFORME® is an Italian company specialized in decorative high-end lighting.

Each light-work is calibrated for professionals around the globe. The company operates autonomously through its own team of interior designers and artisans.

Each stage of processing pursues our mission: the beauty and excellence of the work, for customer's satisfaction.

Our products must be good, as well as beautiful.

In addition to standard production, we are able to develop custom projects. Our aim is to light up mansions, hotels, public and religious buildings.

Our intent is to spread the Made in Italy traditional values with our passion and professionalism to make the world appreciate these timeless light-works.

Symbols

**CE** The “CE” mark required by the European Community with the 93/98/CEE directive states that the luminaire complies with the European technical requirements.  
La marcatura “CE” voluta dalla Comunità Europea con direttiva 93/98/CEE attesta la conformità dell'apparecchio ai requisiti richiesti delle norme tecniche.

**IP** Degree of protection provided against intrusion (body parts such as hands and fingers), dust, accidental contact, and water by mechanical casings and electrical enclosures.  
The enclosure of this luminaire IP20 is protected against solid objects up to than 12 mm, no special protection provided against penetration of water.  
Livello di protezione dal contatto con il corpo umano o con oggetti (prima cifra del codice), e la protezione dal contatto con l'acqua.  
Apparecchi IP20 sono dotati di involucro protetto dalla penetrazione di corpi solidi superiori a 12 mm e non protetto dalla penetrazione di liquidi.

 Luminaire in which protection against electric shock does not rely on basic insulation only, but which are provided for the connection of accessible conductive parts to protective conductor in the fixed wiring of the installation.  
Apparecchio nel quale la protezione contro la scossa elettrica si basa oltre che dall'isolamento principale anche dalla connessione delle parti conduttrici accessibili ad un conduttore di protezione dell'impianto elettrico fisso.

 The protection against electrical shocks of this luminaire is achieved by simple insulation and some other devices such as double insulation or reinforced insulation. There is no earth cable provided.  
Apparecchio dotato di protezione contro la scossa elettrica basata sull'isolamento fondamentale e su misure supplementari quali il doppio isolamento rinforzato.

Energy Label
